Mark your calendar! The honorable Herbert Gears, Mayor of Irving, will be our guest speaker at the September 29th neighborhood meeting! Mayor Gears will fill us in on upcoming agendas, city activities and neighborhood news. Mayor Gears will also be happy to answer questions. All questions are welcome. However, we do request that you ask your question within a 1 minute period so that others may also have time to have their questions answered. Council member Joe Philipp will also be attending our meeting to visit with us. We have also invited the Sherwood Forest neighborhood group to come and enjoy this evening.

Meeting Date and Time:

Can you name these people?? You could if you came to the Barton Estates night at Amerquest Field!

Fifty-three Barton Estates residents and friends attended the Sept. 12th, Texas Ranger game. What a great evening! Unfortunately, the Rangers lost, but the hot dogs were sure tasty!

Have you been recycling? We sure hope so! The Barton Estates recycle program has been a huge hit. Keep up the good work. One of you will be the lucky winner in our grand prize drawing! The drawing will be held at our September 29th meeting.

Now is the time to consider joining the Barton Estates Board of directors. New board members will be needed in 2006. If you are interested in getting more involved in the going-ons of the neighborhood, please contact Doris Dickey or Karen Harmon.

A Chance Meeting or Destiny?

A simple phone call to Karen Harmon requesting school uniforms for a Louisiana family displaced by Hurricane Katrina leads to a new friendship, a new start and new neighbors.

Thank you to all of the Barton Estates residents who have helped hurricane Katrina victims in so many ways. One family in particular, the Reed's, have come to know just how generous Barton Estates residents can be. You have donated gift cards, clothes, shoes, household items, personal items, bedding, a dining table and so much more. The Reed's now have a place to call home.

Barton resident Dillon Harmon helps keep an eye on 13 month old Aleisha Reed while her Mom collects donated items.
